EXECUTIVE SUMMARY

PURPOSE

The Transportation Improvement Program (TIP) is a staged multi-year program of transportation project improvements to be implemented during the next five-year period in the North Florida TPO area which will be funded by Title 23 U.S.C. and the Federal Transit Act, prepared in accordance with 23 CFR Part 450 and 49 CFR Part 613. In addition, for information purposes and air quality conformity analysis, the TIP identifies all regionally significant transportation projects requiring Federal Highway Administration (FHWA) and/or Federal Transit Administration (FTA) approval, regardless of funding source(s), as defined in 40 CFR 51.392. The TIP also includes a listing of projects that are financed with non-federal dollars which assist local governments within the North Florida TPO area with their transportation planning efforts. Projects listed in the TIP include recommended improvements consistent with the approved 2030 Long Range Transportation Plan and the adopted comprehensive plans of member local governments within the North Florida TPO area. In accordance with Chapter 427, Florida Statutes and Rule 41-2, Florida Administrative Code, the TIP contains a Transportation Disadvantaged Section which includes a description of each program or project, the planned costs or anticipated revenues for the services, and identification of the year the project or services are to be undertaken.

According to U.S. Department of Transportation regulations, the following project types must be programmed in the Transportation Improvement Program prior to federal funding approval:

1. Urban Mass Transportation Act Sections 3, 5, 9, 9A, and 16(b)(2) projects.
2. Urban system and interstate substitution non-highway public mass transportation projects.
3. Urban system and extension highway projects.
4. Interstate system and substitution highway projects.
5. Federally funded projects for any mode of transportation.
6. Highway facilities that are shown to be operating below acceptable levels of service as defined in the adopted comprehensive plans of member local governments within the North Florida TPO area.

In addition, non-federally funded projects are included for information.

TIME FRAME

This document includes a five-year implementation schedule for Fiscal Year 2009/2010 through Fiscal Year 2013/2014. Herein, Fiscal Year July 1, 2009 to June 30, 2010 pertains to the Florida Department of Transportation. All other agency projects proposed within the five

year Transportation Improvement Program are based upon the fiscal year beginning October 1st through September 30th.

FINANCIAL PLAN

The Transportation Improvement Program (TIP) is financially constrained for each year. Federally funded projects identified in the TIP can be implemented using current and proposed revenue sources based on the Florida Department of Transportation's Tentative Work Program and locally dedicated transportation revenues. A four-year financial summary of federally funded projects is included in the TIP. This summary provides a listing of the federal funding codes as well as the dollar amounts allocated to each by fiscal year. Also included in the financial summary by funding code is a listing of projects to be implemented which includes project description, phasing schedule by fiscal year, and the amount of funds allocated.

To further ensure the financial soundness of the TIP, all projects funded by the Florida Department of Transportation (FDOT) with federal or non-federal dollars are considered committed projects if included in the first three years of the FDOT Five-Year Work Program. Section 339.135 (4)(b)(5) Florida Statutes mandates that the FDOT Work Program include a balanced 36-month forecast of cash and expenditures and a five-year finance plan supporting the Work Program. All local government projects (non-federally funded) that are included in the TIP are part of a member local government's capital improvement program. Non-federally funded projects with funding in the first year of local government capital improvement elements or capital improvement programs are considered to be committed projects, as indicated in Part II of the TIP.

PROJECT SELECTION/CONSISTENCY WITH OTHER PLANS

In accordance with the Federal requirements in 23 CFR 450.332(b), the North Florida Transportation Planning Organization Transportation Improvement Program was compiled by staff of the North Florida TPO. Annually, staff requests five year transportation improvement programs from the following public agencies: Florida Department of Transportation, the City of Jacksonville Public Works Department, Jacksonville Transportation Authority, Jacksonville Airport Authority, St. Johns County, City of St. Augustine, City of St. Augustine Beach, Clay County, City of Green Cove Springs, Town of Orange Park, Nassau County, City of Fernandina Beach, City of Callahan, City of Jacksonville Beach, City of Atlantic Beach, City of Neptune Beach, and the Town of Baldwin. The projects are then reviewed by the North Florida TPO staff for consistency and coordination, to the maximum extent possible, with the adopted long range transportation plan, the adopted comprehensive plans of member local governments, the Jacksonville Airport Authority's Aviation Master Plans, and the Jacksonville Transportation Authority's Transit Development Plan. Transportation Improvement Program revisions, amendments, additions, or other modifications can be made during the year if approved by the North Florida TPO.

PROJECT PRIORITY STATEMENT

The projects selected are consistent with provisions of the Safe, Accountable, Flexible, and Efficient Transportation Equity Act - A Legacy for Users (SAFETEA-LU) and the Florida Department of Transportation's Adopted Five Year Work Program and are consistent with federal requirements and are financially feasible for the appropriate funding category, and represent the North Florida TPO's project priorities. Each year, the North Florida TPO develops a listing of prioritized transportation projects that are forwarded to the Florida Department of

Transportation for use in the development of its Five Year Work Program. Project selection criteria developed by the North Florida TPO is utilized in forming the prioritized listing of projects. The annual process is as follows:

1) Develop List of Candidate Projects (*May - June*)

a) A list of candidate projects is developed from the following:

- Projects in the previous year *List of Priority Projects* not funded through construction.
- Public agency submittals within the North Florida TPO area
- Adopted Long Range Transportation Plan
- Local Government Comprehensive Plans
- Concurrency management systems
- Congestion Management System Plan
- Public Input

b) Projects submitted are reviewed by North Florida TPO Staff using the following criteria:

- Project must be within the North Florida TPO area.
- Project must be in the *Cost Feasible List* of the Adopted Long Range Transportation Plan unless proposed for PD&E Study only.

2) Endorsement of the List of Candidate Projects (*June*)

a) The list of candidate projects is forwarded to the North Florida TPO and its committees for review and endorsement prior to ranking.

3) Ranking of the List of Candidate Projects (*July*)

a) State Highway capacity projects will be evaluated using the following criteria. North Florida TPO Staff prepare a matrix identifying each project and indicating which criteria the project is consistent with. The matrix is used by the Project Prioritization Subcommittees when ranking the state highway projects:

- Capacity deficient (100% +)
- Regressing to capacity deficient levels (90%-99%)
- Safety related
 - *Does the project specifically address a facility identified on the FDOT Safety Office, High Crash or Segment List.*
- Completed planning studies, PD&E Studies and/or identified through the Congestion Management System Process

b) Mass transit, port, aviation and non-state projects are prioritized by the submitting agency and forwarded to the Project Prioritization Subcommittees for review and approval. In addition, a prioritized list of Congestion Management System (CMS)

projects, ranked by the CMS Steering Committee, is submitted for review and approval.

- c) The Project Prioritization Subcommittees are comprised of members from the Citizens Advisory Committee (CAC) and the Technical Coordinating Committee (TCC). Each meets to review the candidate list of projects and based on results of the evaluation, the projects are ranked.

4) Submittal of the *List of Priority Projects (August)*

Following North Florida TPO approval, the List of Priority Projects is submitted to the Florida Department of Transportation (FDOT) for use in the development of the Five Year Tentative Work Program.

MAJOR PROJECTS

The following table identifies major projects programmed in Fiscal Year 2008/2009 in the previously approved Transportation Improvement Program for Fiscal Years 2008/2009 through 2012/2013. The North Florida TPO defines a major project to be any capacity related project, whereby acquisition, final design and/or construction will be implemented during the first fiscal year of the previously approved Transportation Improvement Program.

PUBLIC INVOLVEMENT

As a result of the North Florida TPO Public Involvement Process, developed and adopted pursuant to the requirements of 23 CFR 450.316(b)(1), the North Florida TPO is committed to increasing public involvement in developing its plans and programs. Public input into the TIP is accomplished by a combination of the following:

During the development of the TIP, public meetings were scheduled with the City of Jacksonville Citizens Planning Advisory Committees (CPACs), the City and/or County Commissions and Zoning Boards in Duval, Clay, St. Johns and Nassau Counties, the Cities of Atlantic Beach, Neptune Beach, Jacksonville Beach, St. Augustine, St. Augustine Beach, Callahan, Fernandina Beach and the Towns of Orange Park and Baldwin, the North Florida TPO Bicycle/Pedestrian Advisory Committee, and the North Florida TPO Citizens Advisory Committee for input and feedback regarding the development of the TIP. The TIP was developed with reasonable opportunity for public comment in accordance with the requirements of 23 CFR 450.316(b)(1) and related directives from the Florida Department of Transportation. The Transportation Improvement Program Public Meeting was held on April 30 at 6:00 pm at the North Florida TPO offices, 1022 Prudential Drive, Jacksonville. The TIP Public Meeting held on April 30 was advertised in area newspapers. Notices of the meetings of the CPAC's, Planning Commissions, and Zoning Boards were also advertised in local newspapers. The draft TIP was made available to the general public and citizen groups' identified above for review and comments.

CERTIFICATION

Representatives of the Federal Highway Administration (FHWA) and the Florida Department of Transportation (FDOT) met with North Florida TPO Staff in April 2008 to conduct the certification review. At that time, the North Florida TPO was found to be operating in accordance with the rules and regulations of the FHWA, FTA, and FDOT

MANAGEMENT SYSTEMS

The North Florida TPO Congestion Management System Update was adopted on March 9, 2006. The projects that are included in this TIP are consistent with the Congestion Management System, as well as the projects that were advanced from previous TIPs.

APPENDIX IV

Public Comments

SUMMARY OF TIP PUBLIC MEETINGS AND COMMENTS

April 1 – Citizens Advisory Committee

A formal PowerPoint presentation was made and copies of the Draft TIP for FY 2009/10 – 2013/2014 were distributed to the CAC members.

April 1 – Technical Coordinating Committee

A formal PowerPoint presentation was made and copies of the Draft TIP for FY 2009/10 – 2013/2014 were distributed to the TCC members.

April 9 – North Florida Transportation Planning Organization

Copies of the Draft TIP for FY 2008/09 – 2012/13 were distributed to the TPO members.

April 14 – Clay County Board of County Commissioners

Clay County Supplements of the Draft TIP for FY 2009/10 – 2013/2014 were distributed to the members. Staff provided a formal PowerPoint presentation highlighting major Clay County projects.

April 15 – Nassau County Board of County Commissioners

Nassau County Supplements of the draft TIP for FY 2009/10 – 2013/14 were distributed to all members. Staff provided a formal PowerPoint presentation highlighting major Nassau County projects.

April 20 – Jacksonville Beach City Council

Supplements of the TIP for the Beaches Communities were distributed to all members. Staff highlighted major projects near Jacksonville Beach. The follow questions were asked:

- What was the Beach Boulevard schedule

- What were the improvements to Atlantic and Kernan Blvd.

April 27 – Atlantic Beach City Council

Supplements of the TIP for the Beaches Communities were distributed to all members. Staff highlighted major projects near Atlantic Beach.

April 30 – TIP Public Meeting

The TIP Public Meeting was held on April 30, 2009 at the North Florida TPO Office. Copies of the Draft TIP were made available to the public at the meeting.

May 6 – Technical Coordinating Committee

The Technical Coordinating Committee approved the Draft TIP for 2009/10 – 2013/14.

May 6– Citizens Advisory Committee Meeting

The Citizens Advisory Committee approved the Draft TIP for 2009/10 – 2013/14.

May 11 – City of St. Augustine

Supplements of the draft TIP for FY 2009/10 – 2013/14 for St. Johns County were distributed to all members. Staff highlighted major projects near the City of St. Augustine. A question was asked about the landscaping on the Bridge of Lions.

May 14 – North Florida TPO Meeting

The North Florida TPO Board approved the Draft TIP for FY 2009/10 – 2013/14.

May 14 – Northwest Citizens Planning Advisory Committee

Supplements of the TIP for the Northwest Planning District were distributed to all members. Staff highlighted major projects in the Northwest Planning District. A member asked about the Tallulah Ave resurfacing project.

May 19 – St. Johns County Board of County Commissioners

St. Johns County Supplements of the Draft TIP for FY 2009/10 – 2013/14 were distributed to the members and Staff provided a PowerPoint presentation of major St. Johns County projects in the TIP.

May 19– City of Fernandina Beach

Nassau County Supplements of the draft TIP for FY 2009/10 – 2013/14 were distributed to all members. Staff highlighted major projects near the City of Fernandina Beach.

May 19 – Orange Park Town Council

Clay County Supplements of the Draft TIP for FY 2009/10 – 2013/14 were distributed to the members. Staff highlighted major projects near the Town of Orange Park.

May 26 – Baldwin Community Board

Supplements of the TIP were distributed to all members. Staff highlighted major projects near the Town of Baldwin.

June 1 – St. Augustine Beach Commission

Supplements of the TIP for St. Johns County were distributed to all members. Staff highlighted major projects near the St. Augustine Beach area.

June 8 – Southwest Citizens Planning Advisory Committee

Supplements of the TIP for the Southwest Planning District were distributed to all members.

June 8 – Arlington/ Beaches Citizens Planning Advisory Committee

Supplements of the TIP for the Arlington / Beaches Planning District were distributed to all members. Staff highlighted major projects within the District. A question was asked about the Acronyms. Another question was asked about the funding for the landscaping of the Wonderwood Segment 3 project.

June 9 – North Citizens Planning Advisory Committee

Supplements of the TIP for the North Planning District were distributed to all members.
